Deputy Matt Carthy,  
Dáil Éireann, Leinster House,  
Kildare Street, Dublin 2.

**Dail Question No: 128**

**To ask the Minister for Transport if his Department, or any agency under his auspices, has ever used any artificial intelligence software in the preparation of response to parliamentary questions, or in responses to any correspondence from outside the organisation; the details of same if applicable; and if he will make a statement on the matter.**

Dear Deputy Carthy,

daa does not use artificial intelligence software in the preparation of response to parliamentary questions and is not aware of the use of artificial intelligence software in response to any correspondence from outside the organisation.

daa permits the use of Generative Artificial Intelligence (AI), subject to the guidance outlined in our Information Security Policy. This highlights that any users of generative AI platforms must ensure that they independently verify the accuracy of outputs generated and that outputs should not be relied upon for decision-making, providing advice, or used without consulting with appropriate subject matter experts.

Kind regards,
