Deputy Alan Farrell,
Dáil Éireann,
Leinster House, Kildare
Street, Dublin 2.

Dáil Question No:39

To ask the Minister for Transport how Dublin Airport and other Irish airports are funded by his Department to support passengers with reduced mobility and disabilities; and if he will make a statement on the matter.

Dear Deputy Farrell,

Thank you for your query.

daa is a commercial semi-state and is not funded by The Department of Transport. No funding or subsidy is received from any Government body for the provision of reduced mobility or disability services at Dublin and Cork Airports.

The funding for services to support passengers with reduced mobility and disabilities is raised through Airport charges. As part of the Airports financial reporting, standalone statements of PRM turnover and costs are produced annually, and these are the subject of external audit. These statements are publicly available on the IAA website.

Kind regards,
